Sean,

FYI. Note that the public rollout event has been scheduled for 1/21. Got that permission yesterday.

The PA Farm Show opens tomorrow and runs through next Saturday. Our non-cost shared BMP survey will be announced by Ag, PSU, and farm orgs next week.

I briefed the Ches Bay Commission this morning.

Best,
John

Hi Jon,

As we discussed, attached is the final bay paper, and the “almost final draft” of the implementation plan. The reboot strategy will be unveiled to the public at an event on 1/21, so to avoid upstaging our rollout I ask that you keep it with you and your staff until then. The implementation plan is being provided for your review and comment.

I think this is a big step in a new and better direction, and I look forward to working with you, your staff and the folks in the Bay office. Please let me know if you'd like to go through the reboot paper, and when we can sit down and start a discussion about the implementation plan.

Thanks,

Dana
